MAKERS of STONE and MASONRY VENEER™

Settling just isn't in our DNA. It's why we obsess over the details and create beauty through a lens of high-design, quality, form and function. Crafted by hand, not by machines...human touch, human eyes. Experience nature's brilliance, woven into the texture, color, and heart of each stone and masonry expression.

# Stone Perfected Inside And Out

Quality is always a result of high intention and skillful execution and it's why our products are designed to be as beautiful on the inside as they are on the outside. We are the only stone veneer manufacturer who uses 100% natural pozzolan. The same material makeup the Romans used on buildings that have stood the test of time.

- STRENGTH & PERFORMANCE**  
Our proprietary mix design enhances natural color and strength, minimizes efflorescence, resists sulfate attack, reduces permeability, and improves durability. You deserve the best for your project and the confidence knowing we back our products with an industry-leading 50-year warranty.

## Our Brick Your Paint Color

Do you love the look of painted brick, clean lines, welcoming textures and unlimited design applications? We loved it so much we created our own brick line, only better. Most clay brick was never intended to be painted, but Creative Mines Paintgrade Brick™ and Block™ is specifically designed to receive paint. Our bricks come primed and ready to paint with your choice of color, all with less coats and more wow factor.
